BUILDING CHAMPIONS

Dear Friends of Clayton State Golf:

The 2007-08 golf season was a breakthrough season with a runner-up finish in the Peach Belt Conference Tournament, a fourth-place finish in the NCAA Division II Southeast Regional and a 10th-place finish in the NCAA Division II National Championships in Houston, Tex. The upcoming season is expected to be exciting for our Laker squad. Qualifying has already begun and the tournament season will

be here soon. Clayton State will host the inaugural State Farm-Laker Collegiate in September.

All five players from the National Tournament run return this season, along with a new crop of recruits who should add additional strength to the team.

I am excited about our team and our recent play. Our goal is to always reach the NCAA Division II National Tournament. We can accomplish this goal with a combination of hard work, good play and great support. Clayton State University has made the commitment to the team, but, as in any program, booster support is vital to the overall success of the team. I hope that you will consider becoming a part of the Laker Links Club!

Sincerely,

Barry Harwell

Clayton State men's head golf coach
